

**SUPPLEMENTARY REPORT FROM RACE 2,**

**THE KISBIN TAUCOORY MEMORIAL CUP**

**RUN ON 23<sup>RD</sup> OCTOBER 2022**

**RACE MEETING 29 – PEOPLE’S TURF PLC**

An inquiry was held at the Office of the Horse Racing Division on 27<sup>th</sup> October 2022, and Jockey G D Aucharuz (INSTINCTIVE POWER) was interviewed with regard to his riding in the race, specifically in the home straight.

Jockey G D Aucharuz was interviewed with the specific reference to him riding his horse away from a straight line after coming into the home straight. The Jockey advised that soon on straightening, his horse was inclined to lug in and he had tried to correct that and had leaned outwards to get his horse to change his leg. He added that he may have over done on his part but he had ridden through-out the straight and the better horse, that is, KING OF COLTS had won.

The Stewards took into consideration the submissions of the Jockey; however, the Panel was not entirely satisfied with the Jockey's riding and gave him benefit of doubt and cautioned him for his ride. Further, he was informed that he should ride his horses in a manner so that there is no room for a query with regard to his rides in future.
